Please be aware:

- 1.) Times highlighted in yellow are fixed. Sessions will not begin ahead of schedule, though they may begin later in case of inclement weather, technical issues, or other unavoidable delays. *All other times are estimates, subject to change as events run ahead of or behind schedule.* Warm-ups and events in white may begin earlier than listed here.
- 2.) Divers and their guardians are responsible for ensuring arrival in a timely manner, and are encouraged to be on site slightly in advance of listed warm-up times if full use of allotted time is desired. Warm-ups will not be extended, nor events delayed, for late or missing divers. To most accurately gauge how close to on-schedule the meet is running, check the livestream.
- 3.) Warm-ups may end before the allotted time has elapsed if all coaches and divers are in agreement.
- 4.) Times displayed in purple represent the beginning and estimated end of diving well usage for the day. Meet personnel and spectators should keep these times in mind if arranging off-site transportation.
